### **Our Story**

**CFG INDUSTRIES LLC** is an epoxy flooring installer committed to doing the industry's best work on every project. We have a reputation for being customer-service centered and being able to manage projects and timelines that other epoxy flooring companies can't. Our epoxy services provide a chemical and stain resistant solution to your flooring and wall needs while maintaining an aesthetic look. Our countless relationships with manufacturers allow us to meet project requirements and satisfy our clients' needs.
